COLLECTION OF PERSONAL INFORMATION

23 Université Laval collects your information to **evaluate your admission application**.

All information is mandatory unless otherwise indicated.

To that end, we **exchange your information** with the Bureau de coopération interuniversitaire and with the Québec ministries responsible for education and higher education. If you accept an offer for a limited enrolment program, we will also check whether you have accepted offers for limited enrolment programs at other universities in Quebec.

We may contact you regarding your application or to invite you to respond to an offer of admission.

If you are not a Canadian citizen, we may exchange information with the following organizations to confirm your status:

- Ministère de l'Immigration et de l'Intégration (or any other Québec ministry responsible for immigration)
- Immigration, Refugees and Citizenship Canada (or any other federal department responsible for immigration)

If you receive an offer of admission, we will use your information to:

- manage your academic path
- offer you services related to your student status

For more information on the collection and disclosure of your information, visit the Registrar's Office website (in French only).

To access or correct your information, contact the Registrar's Office (contact information in French only).

To learn more about the protection of your personal information, please refer to our privacy policy.

SPECIFIC INDICATIONS FOR COMPLETING THE APPLICATION FORM

Indications below refer to the numbered sections of the admission form. It is important to read each of these indications before completing the sections.

SECTION 1 If you know your Student ID Number (NI) at Université Laval, please indicate it.

SECTION 2 A Québec applicant married before April 2, 1981, and wishing to keep using her husband's name must complete this question as follows: indicate her last name at birth followed by her husband's last name. For all other applicants, only the last name at birth should be used.

The permanent code is given by the Government of Quebec and is used to identify yourself all through your studies. It is written on some official documents such as college studies reports and university transcripts. The permanent code contains four letters and eight numbers.

SECTION 3 Indicate the first language learned and still understood.

SECTION 4 Indicate the language most often spoken in your current home.

SECTION 6 In some situations, proof of official status may be required. For more information and for a detailed list of accepted documents, please visit this page: https://www.ulaval.ca/en/admission/prepare-your-application/proof-of-status-for-indigenous-applicants

SECTION 9 It is mandatory to indicate a valid e-mail address for the treatment of an admission application.

SECTION 11 The Canadian citizens born in Canada status corresponds to applicants who have:
- A birth certificate from Canada

The Canadian citizens born outside Canada status corresponds to applicants who have:
- A Canadian citizenship certificate* or
- A Canadian citizenship card*

*A copy of the Certifcat de sélection du Québec (CSQ – Québec Selection Certificate) must accompany the application for admission, where applicable.

The Permanent resident status corresponds to applicants who have :
- A Record of Landing (IMM 1000, IMM 5292 or IMM 5688)* or
- A Permanent Resident Card*

*A copy of the Certifcat de sélection du Québec (CSQ – Québec Selection Certificate) must accompany the application for admission, where applicable.

The foreign status corresponds to any person holding a citizenship other than Canadian, including any person in process of becoming a permanent resident, any person demanding the status of refugee in Canada and any person recognized as a refugee by Canadian federal authorities.

SECTION 13 If you hold or will be holding an Attestation of College Studies (ACS) only, you must answer no to this question.

SECTION 14 You must answer *Yes* to this question if you were already enrolled in :

- a regular study program
- pre-university courses (qualifying courses)
- courses as an extramural or audit-only student
- continuing education courses
- distance education courses

The non-credited continuing education (ex.: MOOC) is excluded from university studies

SECTION 17 Please ensure that the programs selected accept new applicants in the term requested. For information, please refer to https://www.ulaval.ca/etudes

You are allowed to indicate up to two program choices for the same semester. If you chose a limited enrolment program or a limited space program, you will be allowed to indicate a third choice of an unlimited enrolment program. All program choices will be processed independently. You will receive a separate answer for each choice.

SECTION 18 The multidisciplinary bachelor's degree is for candidates who are interested in many subjects and wish to obtain a coherent and customized education or wish to broaden their horizons and get ready for the labour market. The multidisciplinary bachelor's degree can be made of either three certificates or two certificates and complementary skills.
